Telephone Lines and Numbers.

First.—To call give the exact one quick turn.
This rings your bell and also signals the central
office. Then immediately put the hand tele-
phone to your ear. When the operator inquires
"Number" give the number of the party you
want, but not your own number unless the
operator asks for it. The operator will im-
mediately connect the wires and ring your party
for you. Keep the telephone to your ear. If the
party you want is in he will answer the opera-
tor without your ringing. Do not ring back. If
the operator calls in at any time, answer her, to
prevent disconnection. When through give a
short ring to disconnect.
Second.—When called do not ring back, but
at once put the telephone to your ear and talk.
Third.—If after you have called, the operator
says "busy," it means that the party called for
is connected with some one else. Wait a few
minutes and call again.
Fourth.—Never ring the bell, except to call
"Central," or to disconnect.
Fifth.—Avoid loud and boisterous conversa-
tion. Speak in your natural tone and close to
the transmitter.
Sixth.—When not in use, always hang the
hand telephone on its hook, large end down,
otherwise your telephone won't talk well.
Seventh.—Do not use your telephone during a
thunder storm.

If your child has thin, pale cheeks
uncertain appetite and unrestful sleep,
it has worms, and curing with strong
medicine only makes conditions worse,
by irritating its delicate stomach.
White's Cream Vermifuge is mild but
certain in effect, and is a superior tonic
as well as a positive worm destroyer.

Had Catarrh 36 Years.

Joshua Bacon, conductor on the P. W.
& B. R. R., says: "I had suffered with
catarrh for 36 years and regarded my
case as hopeless. One day I saw the
testimonial of Geo. H. Hearn in a Bra-
zilian Balm circular. Hearn was the
engineer on my train and I knew his
case was desperate. I talked with Hearn
and his cure gave me hope. I began
the use of the Balm at once. There was
not much change for the first two months
but then I began to improve and in six
months, to my inexpressible satisfaction,
I was entirely cured."

Grippe Cured.

"Last winter I had a bad cold and
severe cough. I was lame in every joint
and muscle. I was sick and felt as
though I was coming down with typhoid
fever. It was no doubt a bad case of
grippe. Mr. E. P. Budge gave me a bot-
tle of Brazilian Balm, saying he was
sure it would help me. The relief was
almost instantaneous. It
stopped my cough and took the
ache out of all the joints and soreness out
of my system. I gave the balance of the
50-cent bottle to Mrs. Bishop Wiley for
her daughter. It proved so beneficial
she says she never intends to be without
it."—Edwin Fitz Jones, Cincinnati, Ohio.

Pneumonia Cured.

Mrs. A. J. Lawrence, of Beaver, Pa.,
says: "Brazilian Balm brought me out
of a severe attack of pneumonia in
splendid shape. It is a wonderful re-
medy for coughs and lung troubles. Also,
for outward use, for burns, cold-sores,
and chapped hands and face, it cures
like magic. It is invaluable in the
family."
